

Twin Tigers Academy of Self Defense

Twin Tigers Academy of Self Defense is an
After School Martial Arts Program

I understand that Twin Tigers Academy of Self Defense is NOT a daycare but rather a Transported After school Martial Arts program which offers transportation for our students from their school to ours. When students arrive at our dojo they will have "Quiet time" for atleast 45 min. This time is to be utilized for snack, homework and/or reading time. Right before class begins students will get changed into their uniforms (Gi) then prepare for a Martial Arts class that will teach them discipline, respect, honesty, self control, build their self esteem, develop character building skills. and perform physical exercises and Martial Arts techniques.

I acknowledge that the Academy is NOT a daycare and is an after school enrichment program that will provide: FREE transportation, a safe enviornment for children to learn the Art of Self Defense and provide "Quiet time" to study/homework time for students until the parent/guardian picks up the child. **This is a Martial Arts Program** and children are expected to participate in class unless a doctor's/parent notification of the reason(s) why the child cannot perform class for that day.

Please take note: A 30 day written cancellation notice is required to properly withdraw from our program. If a 30 day notice is NOT given you will be charged for that month.
